## OHIO AND NEW JERSEY LEAVE RATIFICATION IN DOUBT

### PLOT TO BLOW UP CHICAGO

By Associated Press.  
CHICAGO, Nov. 6.—Squads of police were rushed to the federal building this afternoon when an alleged plot to blow up the structure was said to have been discovered. Doors of the building were ordered locked and no one permitted to enter.

### BEN HUR SETS MARKET PACE

Ben Hur gave the boys a run for their money this morning when the stock advanced from the closing of 17 cents of the previous day to a high of 24 today. The short interest developed rapidly after the opening and coupled with news from the mine setting forth the value of the edge, which runs as high as \$160 per ton, caused a rush of buying orders. The selling was in the line of profit taking, but local holders were looking for better prices. Ben Hur's extension was in demand, as it is the direct line of the strike, and an early prospect of resuming work where sinking was left off being the strike. Sales for the day represented a turnover of \$18,300, of which \$3,000 shares were Ben Hur. The Charlot came in share of interest with sales of 500 shares. The market was affected by pessimistic reports of the labor situation and a cheerful view was taken of conditions.

### MOTION TO DISSOLVE I. W. W. INJUNCTION

Yesterday afternoon a motion to dissolve the I. W. W. injunction was filed by Attorney Scanlon of Reno who submitted the motion with argument. Attorney Forman was notified today and will have an opportunity for argument if he so desires, but it is probable that he will permit the motion to rest with the court.

### STRONG OIL CO. ORGANIZED FOR FISH LAKE VY.

By Associated Press.  
SALT LAKE CITY, Nov. 6.—The Fish Lake basin oil company have been organized. The company is incorporated under the laws of Nevada with a capitalization of \$1,000,000 with one million shares of the par value of ten cents each. Some shares of which have been placed in the treasury of the company for development purposes. The company is a subsidiary of the Fish Lake Oil lands association, the power and heavier oil and gas fields in the valley and has the first choice in location. It also hopes to be the pioneer company to prove the existence of oil in the valley.

Those identified with the company are, C. C. Book, R. M. Corns, mining and oil engineer, Captain R. W. Bony, the noted geologist of Los Angeles; R. C. Moore of Louisville, Ky., and R. M. Preston of Reno.

Captain Bony is one of the foremost geologists of the United States and is a recognized authority on the origin and disposition of oil. He devoted seven weeks during the summer and fall to his study of the geological conditions in the valley, and his report is not only most favorable in every way but is a most enlightening document. The company intends to finance its treasury largely in the east and no stock will be offered under 50 cents per share. A recommendation which should appeal to every investor who really expects results. The company expects to do its work thoroughly and to prove beyond all peradventure of a doubt the presence or otherwise of oil in commercial quantities in Fish Lake valley, and finance its treasury accordingly.

The company is offered by C. C. Book as president; R. M. Corns, vice president; and R. C. Moore, secretary-treasurer. Mr. Corns goes to Chicago in a few days, where he will be joined by Mr. Moore and the two will then proceed to the eastern markets in the interests of the company.
